Claims of attorney-client privilege and work product protection include reliance on common interest, joint defense, and similar doctrines of non-waiver, and all rights with respect to such doctrines are reserved.	
Documents with an OLK indication do not have reliable metadata, including with respect to the date of the document. Please see Katherine Fell's letter to the Official Committee dated June 19, 2020, for additional information.	
The author field was populated from metadata, and as such, may not reflect the actual author of the document.
